### September Updates:

- Rajesh Khanna, Royal Adelaide Hospital, has had a massive month with ReCAPS recruitment. Congratulations Rajesh for providing the opportunity to participate in ReCAPS to 10 participants this month.
- Louise Lee, Austin Health, successfully implemented the first completed e-consent and online baseline assessments for ReCAPS Trial.
- Last month we had reached the milestone of 100 recruited. This month we have hit another significant milestone having randomised 100 participants.
- Please join us in extending a warm welcome to the team from Fiona Stanley Hospital, WA, who are in the process of submitting their SSA application. We are delighted to have them on board with Dr Dharshan Ghia as Site Principal Investigator and the Neurology Research Coordinator Kerri-Ann Whittaker.
