November Updates:

- We reached the milestone of 150 participants recruited this month. Our next goal is to have more than 200 participants recruited by end of January. This could be achieved if each hospital recruited at least 1 participant per week for the next 8 weeks! So please keep up all your great work!
- Rajesh Khanna, Royal Adelaide Hospital, continued to have another productive month with ReCAPS recruitment, despite the small hiccup with the State going into lockdown for 3 days.
- We were excited to have the Sunshine Coast back recruiting patients this month. A special thanks to Donna, Sarah and Suzanne for working as a team!
- Dawn took much needed 2-week break and hopefully has enjoyed a sense of freedom as Melbourne's lockdown was eased.
