December Updates:

- Thank you for the ongoing efforts with recruitment this month and throughout this very challenging year. We were excited to see that **Erin Li** from the Royal Prince Alfred (NSW) recruited her first two participants shortly after she had completed her training in baseline study procedures.
- The study iPADS have been updated. This may mean that you may need to sync or refresh when you next use the device to access the updated documents.
- **Marie Matanas** and **Bec Danton**, Peninsula Health, finished the year strong with 8 participants recruited in December to take out the final recruiter of the month.
- The hospital site that is awarded top recruiter for the year is the Royal Adelaide Hospital. Fantastic achievement by **Rajesh Khanna** and the team.
- Please note the ReCAPS office will be closed from Dec 23rd 2020 to January 4th 2021.
