### May Updates:

- We had a productive meeting with the ReCAPS investigators who had positive feedback about the retention of participants for the trial.
- Welcome to Pam and Danny who will be recruiting patients from Alfred Health.

### Tips to explain the trial and consent patients:

- Reviewing the training video saved on your site iPad, is a great place to start, or read the example of a ReCAPS 'Pitch' sent with April's clinician meeting minutes.
- Another great way is to practice your 'ReCAPS elevator pitch' with other clinicians.
