SUPPORT AFTER STROKE

Please give a warm welcome to Brett Jones and his team at Canberra Hospital who have become the 11th hospital to commit to ReCAPS

Did you know ?

Together we are working towards a world first intervention for stroke self-management by testing e-technology support for stroke aligned with goals. Our background feasibility work was the basis for this large, Australian-led multicentre trial. Let's recruit the numbers to prove its effectiveness!

Publication

Cadilhac DA, Busingye D, Li JC, Andrew NE, Kilkeny MF, Thrift AG, et al. Development of an electronic health message system to support recovery after stroke: Inspiring Virtual Enabled Resources following Vascular Events (iVERVE). Patient Prefer Adherence. 2018;12:1213-24

Congratulations!!!!

Recruiter of the month:

Monash Health

Bronwyn Coulton

Recruitment for **Phase II** ReCAPS officially ended on 24/09/2019.

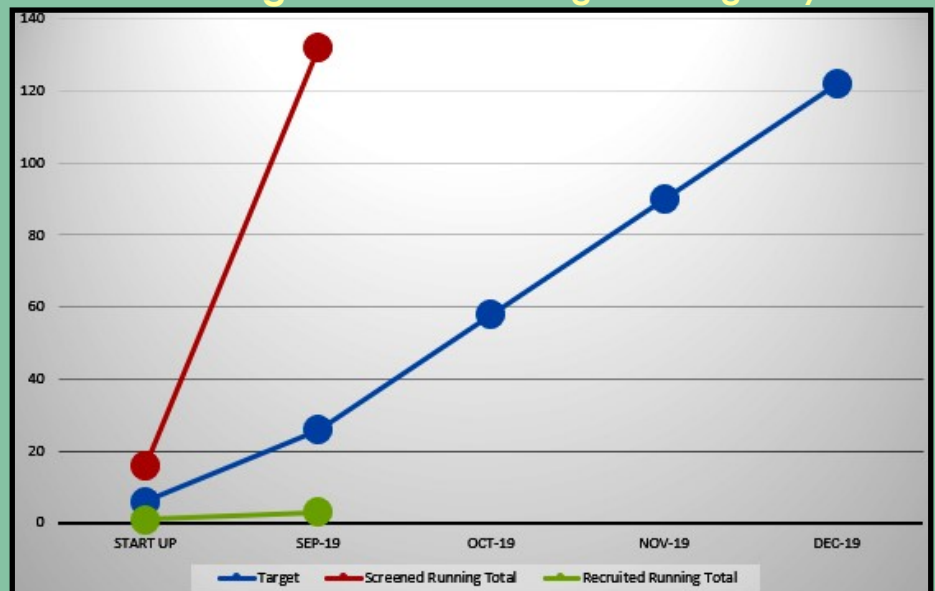

Thank you to everyone who helped the:

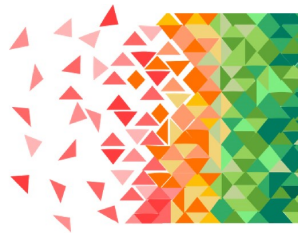

33 Phase II participants

to create 139 GOALS

and receive 1087 tailored messages and counting!

Phase III Progress - Let's aim to get on target by Dec
